Wesley Christian School

We appreciate your interest in Wesley Christian School. We believe the truths of God's Word should be taught at the earliest age and be continued through the adult years. It is our firm belief that the Word of God and its message of redeeming grace through faith in the Lord Jesus Christ is necessary and is the only adequate foundation upon which any educational program can be built. We feel that the educational institution should provide a distinct Christian philosophy and atmosphere, and include Biblical studies as a regular part of its curriculum. This is necessary to obtain a well-balanced and properly-orientated education that views all knowledge in light of Biblical truth.

We offer an educational program using curriculum which emphasizes comprehensive fundamentals of education. We believe that our children should have careful instruction leading them to an ability to read with understanding and write or speak clearly and accurately. All this will be fulfilled with an emphasis on the individual needs of each student by goal-oriented achievement. Each child is diagnostically tested and then is prescribed curriculum at their individual academic level and not according to their chronological age.

It is our desire to instill within each student a sense of high regard for spiritual and moral standards. The absence of God's Word from educational and disciplined programs is the major cause of low spiritual and moral standards. We believe the Lord teaches us to excel academically, as well as spiritually; therefore, we are constantly striving for the highest academic and spiritual standards.

Wesley Christian School recognizes that it cannot meet the educational needs of all children. It is a Christian school offering a high quality of Christian training, but it is not designed to be a correctional institution for problems arising beyond those usually encountered in average school children. While we love delinquent and emotionally unstable children, our school is not equipped to meet their needs. Some children do not adjust to a disciplined academic environment and find excuse to criticize the policies and decisions of staff and administration. In such cases, our school reserves the right to have full discretion to discipline, to place students on probation for a reasonable corrective period of time, and to dismiss any student who does not cooperate with the total educational process. Wesley Christian School admits students of any race, color, and national origin. Our basic objectives are as follows:

1. Assist each child in discovering and developing his/her God-given talents.
2. Promote self-discipline.
3. Assist each child in seeking his/her purpose for life's service.
4. Compensate for inadequate educational background.
5. Eliminate failure and repetition.
6. Provide better opportunities to meet individual differences in pupils.
7. Help each child to learn to honor the Lord Jesus Christ.
8. Build family unity and loyalty centered around the person of Jesus Christ according to Deuteronomy 6:7-8.

Wesley Christian School Parent Agreement

We the undersigned parents or guardians of _____ do hereby request enrollment in Wesley Christian School for our child. We know the Bible places primary responsibility for education on the home, especially the father, and we request this school to assist us in meeting this responsibility. It is our conviction that our child must have an academic education based on the Word of God and its teachings. We hereby certify that we request this school to operate on our behalf with the following understanding.

1. I understand that it is an effort of this school to meet the needs of the families of the church and the community to train up our children in the way that God would have them to go, and the Bible teachings will be reflected in all the affairs and teachings of this school.
2. I understand that it is expected of our family that we will maintain a family and church life that is consistent with the teachings of the Word of God. This should include regular prayer and Bible reading, church attendance, and the loyal support of the school ministry.
3. I understand that we expect the school to exercise consistent Biblical discipline, and that our child be disciplined with corporal correction, and that we will be asked to come and administer the recommended discipline. We acknowledge that the school staff and Administrator have our confidence, and that we will honor their judgment about the necessity of such discipline should it be recommended.
4. I realize that from time-to-time children take issue with actions with which they do not agree, and they are prone to criticize statements out of context. This being normal for children, I pledge that should such occur, I will not support the criticism: that I will correct my child, support the school personnel, and call for full details at any time I have a question about any incident.
5. I understand that my children will be diagnostically tested and prescribed curriculum at their academic level of achievement, and not necessarily at their chronological age.
6. I further realize that building strong relations with my child's teacher to aid in the training of my child is as much my responsibility as it is the school's. I will pray for the staff and the program, cooperate with them in discipline, accept their judgment in all such matters, lay a spiritual foundation through Godly example in the home, support spiritual training of chapels, revivals, etc., follow through with any work assignments or slips that need to be signed, see that my child reaches school on time, send written excuses for absence or tardiness, cooperate in training my child to respect school property and pay for irregular abuse of the same, attend all parent functions, and assist in promoting the school.
7. Parents or students who are not in harmony with the school standards or programs will be asked to submit to the program; if they will not, the parents will be asked to withdraw their child.
8. I realize that attending Wesley Christian School is a privilege and not a right. It is my intention to abide by the decisions and support the discipline of the administration.

I have read the information materials furnished and agree to insist that my child submit to the program's academic and disciplinary regulations and all other requirements instituted by the administration and carried out by the faculty.
